INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Concordia Substance Abuse Council

We have audited the accompanying statement of financial position of Concordia Substance Abuse Council (a nonprofit organization) as of June 30, 2000 and 1999, and the related statements of revenues, expenditures, fund balances and cash flows for the year then ended. These financial statements are the responsibility of the Council's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, issued by the Comptroller General of the United States, and the provisions of Office of Management and Budget Circular A-133, *Audits of Institutions of Higher Education and Other Nonprofit Institutions*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the combined financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Concordia Substance Abuse Council as of June 30, 2000 and 1999, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

The accompanying financial statements have been prepared assuming that Concordia Substance Abuse Council will continue as a going concern. As discussed in Note 6, to the financial statements, the company will not continue to operate in the future.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 27, 2000 on our consideration of Concordia Substance Abuse Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

To the Board of Directors

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Concordia Substance Abuse Council taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," and is not a required part of the basic financial statements. Such information has been subjected to the auditing statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

CONCORDIA SUBSTANCE ABUSE COUNCIL
Notes to the Financial Statements
June 30, 2000 and 1999

1. ORGANIZATION

Concordia Substance Abuse Council was organized as a nonprofit corporation without capital stock under the laws of the State of Louisiana in 1994. The organization was formed to provide substance abuse treatment to men and women for alcohol and drug abuse in the Concordia Parish area. The organization also operates an outreach program for alcohol and drug abuse. The council's primary revenues are from federal grants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Property, Plant and Equipment

Property, plant and equipment are carried at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in income for the period. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized.

b) Income Taxes

The Council has been granted tax-exempt status as provided by Section 501 (c) (3) of the Internal Revenue Code.

c) Basis of Accounting

Revenue is recognized when grant funds are earned. Expenses are recognized when incurred.

d) Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates.

e) Cash and Cash Equivalents

The Council considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statements of cash flows exclude permanently restricted cash and cash equivalents.

Office equipment	44,853	77,738
Less: accumulated depreciation	<u>(73,614)</u>	<u>(89,528)</u>
Total equipment	<u>\$ 17,097</u>	<u>\$ 48,344</u>

4. PERMANENTLY RESTRICTED FUND BALANCE

The fund balances are restricted to providing substance abuse treatment to men and women for alcohol and drug abuse.

5. SUMMARY OF GRANTS

Concordia Substance Abuse Council was primarily funded through the following grants for the period ended June 30, 2000:

	CFDA/Grant Contract Number	Recognized Support
Louisiana Department of Health and Hospitals	529077 542380	\$ 108,953

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Concordia Substance Abuse Council

We have audited the financial statements of Concordia Substance Abuse Council (a nonprofit organization) as of and for the year ended June 30, 2000, and have issued our report thereon dated December 27, 2000. We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Concordia Substance Abuse Council financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that is required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Concordia Substance Abuse Council's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. A reportable condition is described in the accompanying schedule of findings and questioned costs as item 2000-01.

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS
JUNE 30, 2000**

A. Summary of Audit Results

- 1. The auditor's report expresses an unqualified opinion on the general-purpose financial statement of the Concordia Substance Abuse Council.**
- 2. One reportable condition was disclosed during the audit of the financial statements reported in the Report on compliance and on Internal Control Over Financial Reporting Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards.**

B. Internal Control Findings

2000-01 Segregation of Duties

Condition: Due to the size of the Concordia Substance Abuse Council's accounting staff, there is an insufficient segregation of duties to have an effective internal control.

Since the cost of an internal control system should not outweigh the benefits derived from it, we can only recommend that the company consider and analyze the costs versus the benefits associated with hiring additional accounting personnel.

Response: The management concurs with the finding.

INDEPENDENT AUDITOR'S REPORT ON SCHEDULE OF FEDERAL AWARDS

To the Board of Directors
Concordia Substance Abuse Council

We have audited the financial statements of Concordia Substance Abuse Council (a nonprofit organization) for the year ended June 30, 2000, and have issued our report hereon dated December 27, 2000. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these basic financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, issued by the Comptroller General of the United States, and the provisions of Office of Management and Budget Circular A-133, *Audits of Institutions of Higher Education and Other Nonprofit Institutions*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Our audit was made for the purpose of forming an opinion on the basic financial statements of Concordia Substance Abuse Council taken as a whole. The accompanying schedule of federal awards is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information in that schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

Re: Audit for year ended June 30, 2000

Dear Mr. Hopkins:

In response to the two audit findings included in the audit of Concordia Substance Abuse Council, Inc. as of June 30, 2000, we have the following response:

Finding 2000-01 – Segregation of duties

We are aware that segregation of duties is an important internal control, however we have so few employees in the accounting department of our operation that we cannot segregate duties. We also have no plans to add to our accounting department and we will have to compensate this internal control weakness by supervising our staff closely.

Please let us know if you have any questions.

Sincerely,

Keith Baker, Director
